EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Adam Kiedrowski on 9/17/2008.

The application has been amended as follows:

in claim 24, in line 5, "that delivers a coolant" has been changed to - - having a coolant that is delivered - -; and

in claim 29, in line 5, "that delivers a coolant" has been changed to - - having a coolant that is delivered - -.

The following is an examiner's statement of reasons for allowance: the arguments filed by the attorney on 6/23/2008 are persuasive. In addition to the remarks regarding claim 24 the examiner also notes that when the embodiment with a flowing coolant is recited, the alternative embodiment with a thermoelectric cooler in series with resistive heaters would not apply, because either one or the other, not both, would be present at any one time.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably

accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Roy D. Gibson whose telephone number is 571-272-4767. The examiner can normally be reached on Tu-Th, 7:30 am-4:00 pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Linda Dvorak can be reached on 571-272-4764. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
